OFF TO A GOOD START IN YOUR SECOND LANGUAGE ASSIGNMENT

Back by popular demand! The Institute for Innovation in Second Language Education (IISLE) at Edmonton Public Schools offers a 2-day workshop for teachers who are new to a second language teaching assignment, as well as for experienced second language teachers.

Day One

Language Proficiency: The Big Idea

- Elements of a great L2 program
- Policies and regulations for L2 programs
- Strategies for target language use
- Planning with assessment in mind
- How to plan using the program of studies

Day Two

Planning with colleagues

- Plan for authentic performance tasks
- Access critical resources
- Plan with colleagues with support from L2 consultants
