SMART Boards 101 - Integrating Interactive SMART Boards into Instructional Practice, Gr. 4-6 with St. Mary School Staff March 3, 2010 from 9:00 a.m. to 3:30 p.m.

WHO SHOULD ATTEND: Beginner Users of SMART Boards and Notebook Software, Grade 4-6 Teachers, Administrators, Teacher Leaders, Technology Mentors, School Leadership Teams

ABOUT THIS LEARNING OPPORTUNITY:

Now that you have acquired a SMART Board, you will have the opportunity to capture the interest and curiosity of your students by fully engaging them in a 21st century learning environment. These workshops will take place in St. Mary classrooms where teachers will model a **practitioner to practitioner** approach. St. Mary staff will provide helpful suggestions, demonstrate integrated learning activities utilizing emerging technologies across the curriculum. Participants will explore ideas and discuss how to use the interactive white board to enhance curriculum and student engagement. You will leave with ideas to take back and use in their classrooms based on the experience of sharing in this **practitioner to practitioner** model.

ABOUT THE FACILITATORS:

This session will be led by St Mary teachers, the technology mentor, the administration team, and the school technician. The morning will focus on classroom observations while the afternoon will focus on an exchange of professional dialogue involving the participants working and planning together with St. Mary staff. This will be a shared professional learning experience.
