LearnAlberta.ca Teacher Account Registration Tips

Accessing Tools4Teachers (T4T)/Learn Everyware teacher materials on LearnAlberta.ca requires a personal teacher account.

Below is information on how to create your teacher login.

**STEP ONE: Start the Sign Up Process on LearnAlberta.ca**

Go to the LearnAlberta.ca website. www.learnalberta.ca

Select English.

Click the **Sign Up** button near the top right corner of the page.

Click the **Start** button on the **Sign Up – Activate Your Account** page.

**Sign Up – Activate Your Account**

Activation will take 5 minutes or less.

You will need your Jurisdictional Username and Password and, if you are a teacher, your certification number.

**STEP TWO: Complete the Sign Up Form**

Use the email address that you access most often. You will need to have access to this email account to complete the Sign Up process and activate your teacher account.

For the question “Are you a teacher?” select **Yes**, and enter your teacher certificate number.

If you don’t know your teacher certificate number, you can contact Teacher Development and Certification at teacher.certification@gov.ab.ca. You can also contact your school administration.

Under **School Jurisdiction Information**, enter the jurisdiction username and jurisdiction password provided by Alberta Education. You can also get your jurisdiction information from your school principal or jurisdiction head office.
Complete all fields on the Sign Up form and click Submit.

STEP THREE: Confirm your Account

After submitting your Sign Up form, you’ll see a message directing you to an email.

Almost Done.

To complete your account activation click on the link in the email we’ve just sent you.

Go to your inbox and find the message from LearnAlberta.Maintenance@learning.gov.ab.ca. Click on the “Confirm your email account” link that is provided in the email.
